Women Everywhere

Praise Lydia E. Pinkham's Vegetable Compound

Women from the Atlantic to the Pacific, from all sections of this great country, no city so large, no village so small but that some woman has written words of thanks for health restored by Lydia E. Pinkham's Vegetable Compound. No woman who is suffering from the ills peculiar to her sex should rest until she has given this famous remedy a trial. Is it not reasonable to believe that what it did for these women it will do for any sick woman?

Wonderful Case of Mrs. Stephenson, on the Pacific Coast.

INDEPENDENCE, OREGON.—"I was sick with what four doctors called Nervous Prostration, was treated by them for several years, would be better for a while then back in the old way again. I had palpitation of the heart very bad, fainting spells, and was so nervous that a spoon dropping to the floor would nearly kill me, could not lift the lightest weight without making me sick; in fact was about as sick and miserable as a person could be. I saw your medicines advertised and thought I would try them, and am so thankful I did for they helped me at once. I took about a dozen bottles of Lydia E. Pinkham's Vegetable Compound and also used the Sarsaparilla Wash. Since then have used them whenever I felt sick. Your remedies are the only doctor I employ. You are at liberty to publish this letter."—Mrs. W. STERNESSEN, Independence, Oregon.

A Grateful Atlantic Coast Woman.

HONOLULU, HAWAII.—"I feel it a duty I owe to all suffering women to tell what Lydia E. Pinkham's Vegetable Compound did for me. One year ago I found myself a terrible sufferer. I had pains in both sides and such a soreness I could scarcely straighten up at times. My back ached, I had no appetite and was so nervous I could not sleep, then I would be so tired mornings that I could scarcely get around. It seemed almost impossible to move or do a bit of work and I thought I never would be any better until I submitted to an operation. I commenced taking Lydia E. Pinkham's Vegetable Compound and soon I felt like a new woman. I had no pains, slept well, had good appetite and was fat and could do almost all my own work for a family of four. I shall always feel that I owe my good health to your medicine."—Mrs. HAYWARD BOWEN, Honolulu, Hawaii.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's troubles does justice to herself if she does not try this famous medicine made from roots and herbs. It has restored so many suffering women to health. Write to LYDIA E. PINKHAM MEDICINE CO., (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.

John Payne, convicted of murder in
the first degree and sentenced to be
hanged, will not die. His sentence has
been commuted to imprisonment for
life. He has been reserved for a bet-
ter fate. He will probably have to eat
many more turkey dinners with his
wife, if his warden elsewhere are as
obliging as they were in the Fayette
county jail.

will be noted that the parties to the
latest big deal traded for the purpose
of development and operation.

Winter is on the job again in the
good old-fashioned way that makes
the heart of youth jump with the joy
of living.

And now the Bull Moose contingent
charges that President Wilson flinched
his Trust regulation program from
the writings and speeches of Colonel
House. After all, it seems that
there is nothing new under the sun of
Democratic reform.

The sixty-million West Virginia En-
glish syndicate coal deal looks up-
again seriously. The proposition to
dam the Yough should not despair.

A Pennsylvania delegate to the
United Mine Workers' convention at
Indianapolis, explaining why a me-
mber in this state was in arrears for
dues, said: "The recent Tariff
measure has plunged the East into
subject poverty." This delegate had
better look out for himself. He will
be humanized.

The Democratic party has discov-
ered that "antagonism between busi-
ness and government" is a very bad
thing, especially on the eve of the
Congressional elections.

the owner, but if it is desired to
paw them it should be done in the
spring.

Some people are worrying over the
income tax and others are complain-
ing because they have no income to

COKE PRICES FIRM IN FACE OF DULL TRADE CONDITIONS

Two Large Inquiries Out for Contract Coke for the Year.

OPERATORS ASK HIGHER PRICES

For Yearly Contracts on the Ground That Coke is Likely to be Higher During Last Half Than It Is Now. The Former Situation Shifting.

From The Weekly Courier.

PITTSBURGH, Jan. 21.—Coke consumers being fully covered for longer or shorter periods with coke, few exceptions, the market for the past week has been decidedly dull. The condition has shifted a few days from the strength of prices, and the market has stood the test well since these have been no offerings of out-of-price coke, the general price level being the same as a week ago.

Any inquiry for a considerable tonnage of prompt furnace coke would undoubtedly be met by the offering supply is very limited for a week, except any inquiry for a market of coke, the general price level being the same as a week ago.

There are two large inquiries out for contract coke for the year, one from a large steel company and another from a large manufacturing company. Both of these inquiries are for a large tonnage of prompt furnace coke, and the operators are asking higher prices for the year, claiming that coke is likely to be higher during the last half of the year than it is now. The former situation is shifting, however, and the operators are now asking higher prices for the year.

There have been no definite developments in the case of the market. The situation is still very uncertain, and the operators are asking higher prices for the year.

EAT LESS MEAT IF BACK HURTS

Take a Glass of Salts to Flush Kidneys if Bladder Bothers You.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney regions; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then get into the normal state and the irritation, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.—Adv.
